

Parents and Carers

Please park safely, legally and considerately.

We ask that parents/carers do not smoke around school this includes e-cigarettes.

When bringing your child to school, can you please make sure that you stay in the yard or reception garden until they are safely in school.

If you are running a bit late, can you please bring them into the main entrance so that we all know they are safely through the doors.

FUN FOR FOOTBALL FUNDS

Keep an eye on the notice boards around school for our School Council's posters.

They have planned some fun activities for Summer mornings to raise money for a new football goal/target board.

Rosegrove Review Summer 2019

Rosegrove Infants

Summer is here!

When the weather is hot, please apply sun cream to your child before they come to school in the morning. Please make sure they have a hat to wear for playtimes. Even when the weather is dry please send them with a coat as you know what our weather is like it can rain, snow and be sunny all in one day!!

Health & Wellbeing

- Healthy Eating

Every week we have a different 'Foodie Focus' at lunch times. These small targets will support children in;

using knives and forks, trying new foods, remembering manners, using quiet voices with their friends, sitting sensibly and eating-up!

- Early Nights

Summer term is a busy time in school. There are lots of exciting things coming up and lots of learning still to be done. Please encourage your child to have early nights so that they are nice and refreshed for school.

PLEASE KEEP THIS

'DATES FOR YOUR DIARY' SECTION

Remember to continually check for future events!

LEARNING SPOTLIGHT

Reception: This half term we are learning about 'Our Community'. We will be learning about the buildings and people that make Rosegrove so special.

Year 1: In Year 1 we are exploring outdoors to learn about plants and animals in their natural environments. We will be learning about rainforests, planting vegetables and learning to recognise plants.

Year 2: This term we are problem solving in maths. We are finding out about nocturnal animals and writing non-chronological reports. We are also learning about the famous artist Lowry and painting pictures in the style of Lowry. In science we are learning about plants in our Year2 pebble garden.
