

AFTER SCHOOL CLUB

SUMMER 2019 NEWSLETTER

Welcome to the After School Club Newsletter.

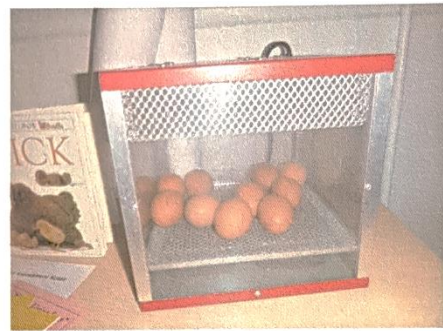

It has been a fabulous year so far, with lots of interesting activities and events happening! Our club is a fun, safe place for the children to play and learn out of school hours whilst waiting to be collected.

Now that it is the summer term and the warmer weather is here, we are enjoying more outdoor activities with the children, We advise please that sun cream is applied before school. We recommend that a 24hr sun cream would be best, as the children will be playing out throughout the day, as well as at ASC.

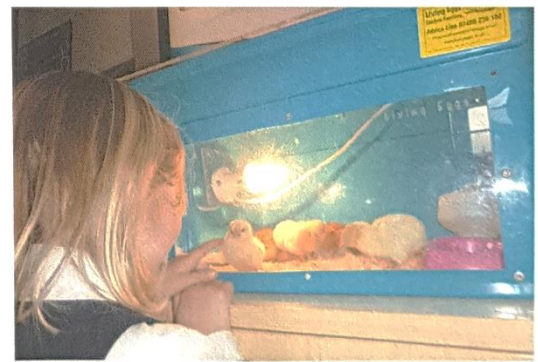

As you all know we like to get our children involved in as many activities as possible. During the upcoming summer term, we will be doing various activities such as making bird feeders, ice-cream paper plates and creating new beach themed, summer displays, as well as sunshine paper plates and much more!

To finish this term off, we will be having an end of term party to celebrate the children's hard work throughout the year!

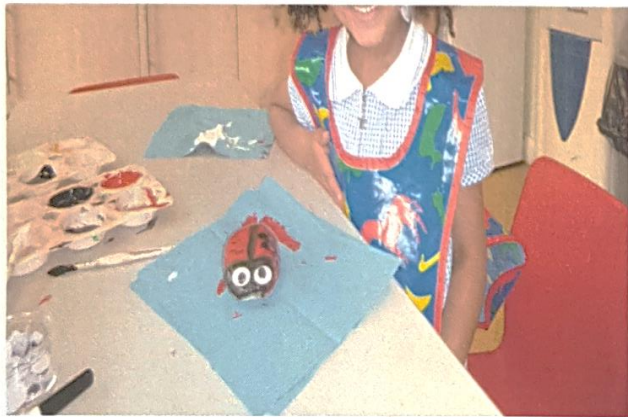

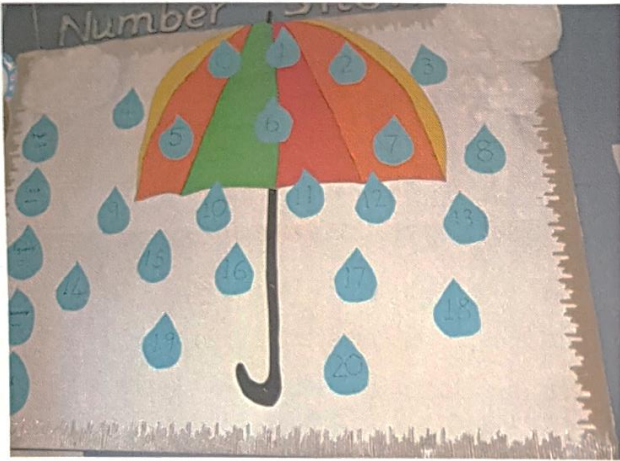

As part of our learning we have been watching some chicks hatch and grow. We have enjoyed monitoring them daily to see their progression. Once the chicks hatched ASC children went upstairs to have a look at them.

The chicks are now a lot stronger and have gone to live at their new home, on a farm.

We have been busy doing some creative activities at ASC such as painting insects on pebbles, brightening up our display boards in the classroom and also starting to do some summer crafts.

A number of parents have asked again recently about the closing time of ASC. It closes at 5.30pm and so we expect the children to be collected at or before that time, please.

We will put our newsletters on the school website. (Follow the Out of School Club link at the bottom of the Home Page on the planter).

These will update you on events and will contain information that you need to be aware of.

IMPORTANT NOTICE

There will be no after school club provision on the last day of the summer term which is the Tuesday 23rd July. The school day will end at 1:30pm.

Some comments from our children about After School Club 😊

I love play outside
and I like the
teacher. Hollie

I like it because
it is fun
