

Rosegrove Infants-Step into March

We are so excited to be re-opening school to ALL pupils on the 8th March! It will be lovely to see everyone again!

THANK YOU FOR ALL YOUR SUPPORT AND FOR SUPPORTING THE CHILDREN SO WELL IN THEIR LEARNING!!

For the next two weeks we have planned some extra special activities to help the children transition back into school together, as happily and smoothly as possible!

As next week (1.3.2021) is our last week of lockdown learning, we have planned a special learning theme: "Step into March" to help the children prepare for their return.

The following week (8.3.2021) will be "March Back to School Week". Activities will take place across all year groups to ensure that ALL the children have fun in their bubbles, with the friends they haven't seen for such a long time! (See dates on reverse.)

WORLD BOOK DAY 2021 (Book tokens enclosed.)

We will be celebrating World Book Day on Thursday 4th March.

Competition: Build a READING DEN at home and email/show photos to your class teacher. Each photo will be entered into our competition and there will be a winner, per class, for the most creative and imaginative den. (Prizes to be given when school re-opens.) Children in school will be joining in too and entering their dens into the competition!

Read a book in your den every day!

'THE MASKED READER' – Staff in school will be reading a story wearing a mask. We will share the story with all children on World Book Day and they have to guess "Who's that behind the mask?"

8th March: Bubbles' drop off/pick up info.

School will continue with the 'Bubble' system.

We will now have three year group bubbles in school for learning, to allow children to work in groups with their friends and at their own pace.

However, we ask that children are dropped off and picked up as before. Please see below.
