

ROSEGROVE AFTER SCHOOL CLUB

NEWSLETTER AUTUMN 2021

Welcome To After School Club

A very warm welcome to our new Reception children and we welcome back our Year 1s and 2s. We are very excited to begin a fun filled new autumn term!

Mrs Threlfall and Miss Blackburn are here to ensure all children are safe and have lots of fun.

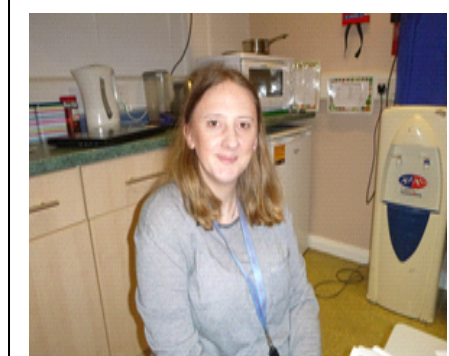

At After School Club we have lovely educational activities. The children can explore our wide range of resources such as toys, Lego, iPads, art and craft activities. Weather permitting the children can take the opportunity to play outside in the garden using the outdoor equipment.

We provide a healthy choice of snacks, and you will find the menu on the notice board at the front door of After School Club. If you have any suggestions or questions regarding the menu please do not hesitate to have a chat with either of us.

Kind regards Mrs Threlfall and Miss Blackburn.

We recently said goodbye and good luck to Mrs Wilkinson who has moved on to pastures new due to family commitments. We will miss Mrs Wilkinson.

As of September 20th, we have gained a new member of the team at ASC, Mrs Threlfall. She has been part of the school team here at Rosegrove Infant School for several years working within Years One and Two.

Let's Get Creative

A lot of children at ASC love to be creative and so we will offer the opportunity for some structured and non-structured activities. We will consider the interests of the children, the changing Seasons and other events such as Halloween, Harvest Festival, Bonfire Night and Christmas.

Some of the activities we will have fun doing this term are;

- Making Autumn leaves by drawing, colouring/painting and cutting out for the Autumn display.
- Designing a Scarecrow
- Decorating scary buns and biscuits.
- Create firework/ bonfire posters.
- And then comes Christmas activities.....

Some parents have asked recently about the closing time of ASC. We close at 5.30pm and so we expect the children to be collected at or before that time.

The newsletters are on the school website. (Follow the Out of School Club link at the bottom of the Home Page, on the planter).

This will update you on events and contain information that you need to be aware of.

Update contact details if there are any changes
