

Parents and Carers

School Bags

Please help your child to remember their school bags EVERY day.

Parking

Please park, safely, legally and considerately.

Please do not park on the zig zag lines in the morning or after school when dropping/picking up your child from school.

Road Safety

Get to school safely, talk to your child about safely crossing the road with you.

Birthday Treats

We love birthdays, but we are a Healthy School, so if you would like to celebrate your child's birthday with their class, we encourage you to buy a class book and write a little message in it. We will read the book to their class friends. We don't hand out sweets in school (unless school buy them as a special treat at Christmas, Easter etc) and we kindly ask parents/carers not to distribute sweets on school site at the end of the day.

Dogs

Please do not bring dogs onto the school yard. If you need to bring your dog at drop-off and home times, let us know and we will help.

Attendance is so important. Please try not to book holidays etc during school terms. If you do have an exceptional situation that you need to discuss, please do not hesitate to get in touch with Mrs Brammer or Mrs Renshaw.

Over the coming months we will display class attendance figures here for your information.

A letter will be sent home on Monday regarding our new Facebook page. Look out for it in your child's school bag.

Do you have a child starting school next year?

If you have a child due to start school in September 2025, please remember to log onto the Lancashire County Council Admission team website via

<https://www.gov.uk/apply-for-primary-school-place>

to register them. The closing date to register on time, is **15th January 2025**.

Open Evening: 10th October 2024 between 5 & 6.30 pm

Although we have had a bit of an 'Indian Summer' over the last week or so, the weather will inevitably change as we approach the autumn. Children will still play out as they need that space and fresh air through the day. Please ensure that they bring their coats to school every day. The weather can also change very quickly, as we know in this country! If you do send hats, scarves and gloves please label them and make sure your child knows how to recognise their own. Some parents mark the labels with colours which is a great idea, but please write their names on them too, so that the adults can help children to keep them safe.

If any are mislaid in school, they will be hung on a little washing-line in our entrance for you to check.

LEARNING SPOTLIGHT

Reception: We are making new friends and learning about social routines. We will be talking about ourselves, our family and friends and getting to know each other.

Year 1: This term we are learning about the countries of the UK and all about Mondrian and the primary colours, in art.

Year 2: In English we are reading the book The Way Home for Wolf and completing activities about it. In Maths, we are learning to read and write numbers to 100 and in Geography, we are learning about continents and oceans.
