

Dinner times at Rosegrove

I wanted to be a play leader because I like playing games.

We have introduced play leaders to make dinner times more fun, help with behaviour issues and give the children opportunity to lead others.

We are making up new games using the play leader equipment.

Our play leaders have done a great job!

Children want to come and play our games.

I wanted to be a play leader because it sounded fun and I like to play games with the Reception children.

Lots of children watch us and then join in!
