KEEP OUR CHILDREN SAFE

Please come and visit our Library. It is open for both adults and children every Thursday from 2.45—3.30 p.m.

We have books for all ages.

The children really enjoyed the 'Build a Den Day' in school last Friday. We raised £125.75 for Save the Children. Many thanks to all who sent in a contribution.

The Rosegrove Review June 2017

Rosegrove Infants

Year 2 children will be spending 2 full days in their new school on Thursday 29th June and Thursday 6th July. Unless your child uses our breakfast club please drop your child off at Lowerhouse Juniors by 8.55 a.m. Pick up is at 3.30 p.m. unless they attend the Rosegrove After School club in which case members of our staff will pick your child up and bring them back to school.

On 7th July everyone will be taking part in a Teddy Bear's Picnic lunch event. Picnic lunches will be provided for all the children to eat outdoors (weather permitting) or in their classrooms. The children can bring their teddy bears to join in the fun!

Thomas Bounce has been booked for our Yr2 leavers' party again this year. This is taking place on Wednesday 19th July at Rosegrove Railway Club. Through their Enterprise events Yr2 have raised some money towards the cost of this fun end of year 'bash'! We are very proud of their achievement and your support. Party clothes are allowed (Remember: sensible shoes!).

Updates

- Our R/Yr1/Yr2 raised beds are all flourishing in The Grove. Have a quick peak when you are dropping/picking your child up from school.
- The children are still looking after their plants in the Yr2 Pebble Garden. It is looking beautiful.
- The new 'Rose Room' was completed in the half term holiday providing our reception children with even more learning space.

Remember to apply sun cream in the morning and send your child into school with a sun hat during the nice weather.

LEARNING SPOTLIGHT

Reception: We are learning all about 'Animals' and will be finding out animal facts. In our writing, we are learning to write a series of sentences.

Yr 1: We are enjoying creating our own cartoons on the i-Pads and turning them into comic strips to make our own class comic. We have also been learning about position and movement using our left, right, clockwise and anti-clockwise turns.

Yr 2: We are learning about Picasso and painting in his style of work. We are reading Julia Donaldson books and creating story characters. We are using Espresso to code. This involves giving the computer commands.
